STATE BIOTECHNOLOGY PROGRAMME, UTTARAKHAND

Profile

The State Biotechnology Programme under the aegis of Government of Uttarakhand, was formally started in 2003 and is responsible for promoting biotechnology in the state. It aims to make the state knowledge power house in commercialisation of medicinal and aromatic plants. SBP has organised many state and national level workshops and seminars.

Activity

- Supporting the R&D institutions by ensuring flow of funds through national and international agencies
- Executing and monitoring commercial exploration of biotechnological tools
- Establishment of Biotechnology Parks for catalyzing growth of biotechnology in the state
- Establishing liason among R&D institutions, industry, farmers and NGOs
- Assisting in managing bio-safety
