

Uttarakhand State Council For Science & Technology

Department of Science & Technology, Govt. of Uttarakhand

Technology Developed, Demonstrated, Promoted and Transferred

BAMBOO CRAFTED NIGHT LAMPS

Capacity –2.0 Watt

Luminous- 210 Lux (60Lux are required for reading)

Life- 50,000 to 1,00,000 burning hours

Compatibility - Easy to use

Electricity Consumption for one year- 3.65 Units (5

Hours daily use)

Eco friendly, Pollution free, No Climate Change, No Global Warming, Repairable and low cost energy conservation
